

Meal Benefit Application is Now Available Online

Instead of filling out the Meal Benefit Application for Free & Reduced Meals on paper and then bringing it to your child's school, you now have the **option** to fill out and submit the application online. The online application is available to any parent or guardian with an Infinite Campus parent portal account. If you do not yet have an Infinite Campus parent portal account, you may get one by visiting your child's school, showing your ID and receiving instructions for setting up your account.

To access the online Meal Benefit Application, follow these steps:

1) Log in to the Infinite Campus parent portal.

<https://brentwoodmo.infinitecampus.org/campus/portal/brentwood.jsp>

2) Once you are logged in to the portal, from the menu on the left, select **Applications/Forms**.

3) Click on the link to start the Meal Benefits Application.

4) The application will walk you through all the necessary steps, including submitting the application online for processing.

The only difference between the paper application and the online application is that in order to submit a legally-binding application online to the district, an E-Signature PIN must be established. The online application will walk you through creating an E-Signature PIN.
